INDEX: Volume 107

Acalypta emicata, n.sp. from Guatemala & range ext. for genus 299

Adair, T.W., B.C. Kondratieff 233
Occ. of *Nitidula flavomaculata* on a human corpse

Aeshnidae 261

Ahn, K.-J. 177
Rev. intertidal aleocharine genus *Tarphiota*

Alderfly larvae in a West VA population of purple pitcher plant 137

Aldrete, A.N.G. 28
N. sp. *Nadleria* from Tambopata Res. Zone, Peru

Aldrete, A.N.G., E.L. Mockford 88
New Peruvian musapsocid genus & sp.

Amphinemura, three n.sp. from eastern No. Amer. 249

Anisocentropus pyraloides, new record & range ext. for in West VA 243

Anthrenus museorum, egg predator on *Lymantria dispar* & review of dermestids as gypsy moth egg predators 143

Aramigus uruguayensis, n.sp. based on mitochondrial DNA & morphological characters 311

Asilidae 193

Athanas, M.M. 161

Ayala, C.E. 245

Baetis intercalaris, an atypical larval color form from PA & Okla. 83

Barth, S.E. 261, 275

Baumann, R.W. 249
Three n.sp. *Amphinemura* from east N.A.

Baumann, R.W., S.A. Grubbs 220
Two n.sp. *Soyedina* from Appalachian Mts.

Baumgardner, D.E. 83

Beal, R.S. Jr. 143

Boobar, L.R., K.E. Gibs, J.R. Longcore, A.M. Perillo 267
New records of predaceous diving beetles in Maine

Book reviews 219, 247

Books rec'd. & briefly noted 64, 120

Calamoceratidae 243

Callibaetis of So. Amer., emendations to 230

Calvert award 206

Camras, S. 104
New info. on New World *Physocephala*

Cantharidae 119

Carlton, C.E., L.S. Nobles 213
Distrib. *Speyeria diana* in highlands of AR, MO, & OK, with comments on conservation

Cercopidae 113

Chironomidae 1

Chordeumatida 276

Chrysomelidae 161

Cicadellidae 125, 322, 327

Cleridae 329

Coccinellidae 36, 232, 281, 291

Coderre, D. 169

Coenagrionidae 275

Coleoptera 16, 36, 49, 119, 143, 161, 177, 232, 233, 267, 281, 291, 311, 329

Conopidae 104

Conotyla blakei 276

Cranston, P.S., U. Nolte 1
Fissimentum, new genus of drought-tolerant Chironomini from Americas & Australia

Curculionidae 16, 311

Dermestidae 143

DeWalt, R.E., B.P. Stark 61
Descrip's. of female, nymph, & male variations of stonefly *Leuctra szczytkoi*

Dinorhynchus dybowskyi releases in U.S. & apparent failure to establish 277

Diplocentrus, two n.sp. from Mexico 39

Diptera 1, 93, 104, 193, 317

Duffield, R.M. 137

Dytiscidae 49, 267

Edmunds, G.F. Jr., W.P. McCafferty 68
New field observations on burrowing in Ephemeroptera around world

Enallagma civile, predator on adult sweetpotato whitefly, *Bemisia tabaci* 275

Ephemeroptera 23, 61, 68, 83, 99, 166, 207, 225, 230, 237, 303

Epiaeschna heros captured in arboreal traps for *Calosoma sycophanta* 261

Erixestus winnemana, parental care in, an egg parasite of *Calligrapha* 161

Euhrychiopsis lecontei, life history of, potential biol. control agent of European watermilfoil 16

Exyra, genus of pitcher plant moths 128

Fissimentum, new genus of drought-tolerant Chironomidae from Americas & Australia 1

Folkerts, D.R. & G.W. 128
Field iden. of pitcher plant moths of genus *Exyra*

Formicidae 93, 141

Frederick, L. 137

Frick, T.B., D.W. Tallamy 77
Density & diversity of non-target insects killed in suburban electric insect traps

Fritts, D.A., W.D. Sissom 39
Two n.sp. *Diplocentrus* from Mexico

Froeschner, R.C. 299
Range of lace bug genus *Acalypta* extended into Neotropics with descrip. of n.sp., *A. emicata*, from Guatemala

Gayubo, S.F. 186

Gibbs, K.E. 267

Gordon, R.D. 232
So. Amer. Coccinellidae, Pt. III, correction & addition

Grubbs, S.A. 220, 255
Stoneflies of Powdermill Nature Reserve in so. west PA

Hall, D.L., D.L. Wood, D.L. Moorhead, R.W. Sites 33
Effectiveness of combining flotation & staining techniques when sorting benthic invertebrates

Harmonia quadripunctata, new eastern U.S. records for 281

Harris, S.C., B.C. Kondratieff, B.P. Stark 237
New records of Ephemeroptera, Plecoptera, & Trichoptera from Alabama

Hecalocorica, a genus of hecaline leafhopper from Costa Rica 125

Heteroptera 277, 299

Hippodamia variegata, status & spread of in PA 291

Hoebeke, E.R., A.G. Wheeler, Jr. 281
Adventive lady beetles in Canadian Maritime Provinces, with new eastern U.S. records for *Harmonia quadripunctata*

Hollingsworth, C.S. 151

Homoptera 113, 125, 322, 327

Hydrophilidae 49

Hymenoptera 93, 141, 161, 186, 272

Jasper, S.K., B.C. Vogtsberger 49
First Texas records of five genera of aquatic beetles with habitat notes

Kennedy, J.H. 83

Kondratieff, B.C. 233, 237

Krauth, S. J. 272

Lachesillidae 28

Lanteri, A.A. 311

Lepidoptera 128, 143, 151, 213

Leptogaster genus in West Indies 193

Leptophlebiidae 99, 225

LeSage, L. 276

Leuctra szczytkoi, descrip's. of female, nymph, & male character variations 61

Liang, A.-P. 113
Notes on spittlebug genus *Ectemnonotum*

Longcore, J.R. 267

Lugo-Ortiz, C.R., W.P. McCafferty
Cent. Amer. *Tortopus*, unique n.sp. & new country records 23
New Cent. Amer. & Mexican records of Ephemeroptera sp. 303

Lymantriidae 143

Mackenzie, M. 137

Mawdsley, J.R. 329
Key to sp. of *Omadius* from Indonesia

McCafferty, W.P. 23, 68, 99, 207, 225, 303
Mayflies of No. Amer. online 61
Emendations to *Callibaetis* of So. Amer. 230

McCay-Buis, T. 119

Megachilidae 186

Megaloptera 137

Melanemerella brasiliana, So. Amer. mayfly, a redescrip. 99

Mockford, E.L. 88

Moorhead, D.L. 33

Moutinho, P.R.S. 93

Munro, J.B. 166

Musapsocidae 88

Myerslopia, n.sp. from Cuba 322

Nadleria, n.sp. from Tambopata Res. Zone, Peru 28

Nemouridae 220, 249

Newlin, M.K. 243

Nielson, M.W.
New genus, *Hecalocorica*, & n.sp.of hecaline leafhopper from Costa Rica 123
New sp. of *Myerslopia* from Chile 322
New sp. of *Pilosana* from Costa Rica 327

Nitidula flavomaculata on human corpse 233

Nobles, L.S. 213

Noctua pronuba, distrib., iden., & rate of spread in northeast U.S. 151

Nolte, U. 1

Normark, B.B., A.A. Lanteri 311
Aramigus uruguayensis, n.sp. based on mitochondrial DNA & morphological characters

Noteridae 49

Nymphalidae 213

O'Bryan, L.M. 16

Odonata 261, 275

Omadius, key to sp. from Indonesia 329

Osmia nigrobarbata, descrip. of mature larva 186

Paquin, P., D. Coderre 169
Sampling techniques for soil macro-arthropods inhabiting forest floors

Paraleptophlebia, 1st larval descrip's. of two sp. 225

Parasitic flies attracted to injured workers of giant ant, *D. gigantea* 93

Passoa, S., C.S. Hollingsworth 151
Distrib., iden., & rate of spread of *Noctua pronuba* in northeast U.S.

Pentatomidae 277

Perillo, A.M. 267

Peterson, R.L. 137

Phoridae 93

Pilosana, n.sp. from Costa Rica 327

Pitcher plant moths of genus *Exyra* 128

Pittman, J.L. et al. 137
Alderfly larvae in a WV population of purple pitcher plant

Plecoptera 61, 220, 237, 249, 255

Polymitarcyidae 23

Poston, M.E. 137

Procloeon viridocularis from Mich. & PA; new range extensions & comments on sp. 166

Propylea 14-punctata, records of from Long Is., NY, evidence of a naturalized population before 1991 36

Propylea 14-punctata, status & spread of in PA 291

Psocoptera 28, 88

Psychodidae 317

Pteromalidae 161, 272

Pteromalus microps, first record in New World 272

Randolph, R.P., W.P. McCafferty 225
First larval descripts. of two sp. of *Paraleptophlebia*

Rebollar-Tellez, E.A. et al. 317
Coll. of sand flies from mammal burrows in area of cutaneous leishmiasis in Mexico

Sand flies from mammal burrows in area of cutaneous leishmaniasis in Mexico 317

Santiago-Blay, J.A. 245
Minuten probe for small organisms

Scarbrough, A.G. 193
Genus *Leptogaster* in West Indies

Schaefer, P.W. 277
Releases of *Dinorhynchus dybowskyi* in U.S. & apparent failure to establish

Schaefer, P.W., S.B. Barth, H.B. White, III
Capture of male *Epiaeschna heros* in traps for *Calosoma sycophanta* 261
Predation by *Enallagma civile* on adult sweetpotato whitefly 275

Schaefer, P.W., R.S. Beal, Jr. 143
Anthrenus museorum, egg predator of *Lymantria dispar* in CT & review of dermestids as gypsy moth egg predators

Schroder, R.F.W., A.M. Sidor, M.M. Athanas 161
Parental care in *Erixestus winnemana*, egg parasite of *Calligrapha*

Scorpiones 39

Sheldon, S.P., L.M. O'Bryan 16
Life history of weevil *Euhrychiopsis lecontei*, potential biol. control of Eurasian watermilfoil

Shelley, R.M., L. LeSage 276
Discovery of milliped *Conotyla blakei* in Canada

Sidor, A.M. 161

Silveira-Costa, A.J., P.R.S. Moutinho 93
Attracting parasitic flies to injured workers of giant ant, *D. gigantea*

Sisson, W.D. 39

Sites, R.W. 33

Solenopsis invicta, red imported fire ant, 141
founding queen of in carnivorous plant

Soyedina, two n.sp. from Appalachian Mts. 220

Speyeria diana, distrib. of in highlands of AR, MO, OK, with comments on conservation 213

Staphylinidae 177

Stark, B.P. 61, 237

Stoops, C.A. 291

Tallamy, D.W. 77

Tarphiota, revis. of intertidal aleocharine genus 177

Tarter, D.C., et al. 243
New record & range extension for *Anisocentropus pyraloides* in WV

Tingidae 299

Torres, F., S.F. Gayubo 186
Descrip. of mature larva of *Osmia nigrobarbata*

Tortopus, Cent. Amer. n.sp. & new country roads 23

Trichoptera 237, 243

Turner, T.S. 137

Vogt, J.T. 141
Founding queen of red imported fire ant in carnivorous plant

Vogtsberger, R.C. 49

Volenberg, D.S., S.J. Krauth 272
First record of *Pteromalus microps* in New World

Waltz, R.D., D.E. Baumgardner, J.H. Kennedy 83
An atypical larval color form of *Baetis intercalaris* from PA & OK

Waltz, R.D., T. McCay-Buis 119
First report of *Chauliognathus* larvae in excavated shoots of *Pinus sylvestris*

Waltz, K.D., J.B. Munro 166
Procloeon viridocularis from Mich. & PA. New range extensions with comments on sp.

Wang, T.-Q, W.P. McCafferty
Redescrip. & reclass. of So. Amer. mayfly *Melanemerella brasiliana* 99
New diagnostic characters for mayfly family Baetidae 207

Wheeler, A.G., Jr. 281

Wheeler, A.G. Jr., C.A. Stoops 291
Status & spread of Palearctic lady beetles *Hippodamia variegata* & *Propylea 14-punctata* in PA

White, H.B., III 261, 275

Wilhelm, E.S. 243

Wood, D.L. 33

Yanega, D. 36
Records of *Propylea 14-punctata* from Long Is., NY. Evidence for a naturalized population before 1991
